Manufactured from high tensile monofilament thread, Midco's harvest bags provide superior strength and durability. Our unique 1/16" X 1/8" mesh opening "Chain Stitch" design will not run and is perfect for drying most seed product. Our drawstring design allows easy closing, opening, tying and untying of the bag. Our tight weave holds individual kernels and beans. This is a must when shipping seed.

MIDCO Mesh Harvest Bag Sizes

8" x 8"

8" x 16"

11" x 20"

15.5" x 31"

21" x 35"
